8 January Themed Activities

Made By: Saddle Up for 2nd Grade

COCOA PLACE VALUE

Students will match the base ten cocoa mug with the number whipped topping.

SNOWMAN SHAPES

Students will use clothespins to clip the shape of the snowman's nose.

COMPARING SNOWFLAKES

COMPARING SNOWFLAKES

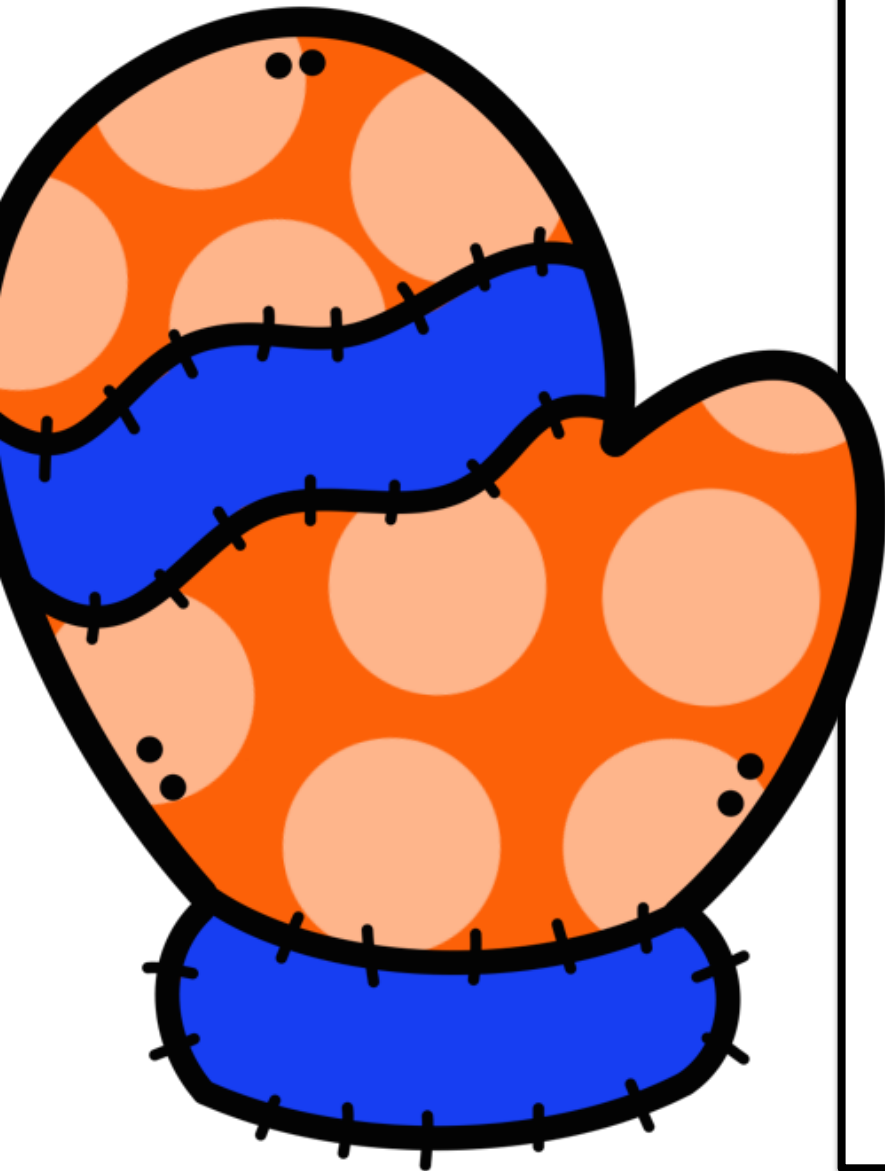

| tens | ones |
|------|------|
| 4 | 7 |

COMPARING SNOWFLAKES

| Player 1 | Player 2 | Player 1 | Player 2 | Player 1 | Player 2 |
|----------|----------|----------|----------|----------|----------|
| | | 9 | | 17 | |
| | | 10 | | 18 | |
| | | 11 | | | |
| | | 12 | | | |
| | | 13 | | | |
| | | 14 | | | |
| | | 15 | | | |
| | | 16 | | 24 | |

Students will work in partners to create numbers using snowflake number cards. They'll both write the number they created and compare using symbols.

ORDERING MITTENS

ORDERING MITTENS Directions: Choose 4 number cards. Put them in order in the boxes below.

| | |
|---|---|
| Order the numbers from least to greatest. | Order the numbers from greatest to least. |
| | |
| Order the numbers from least to greatest. | Order the numbers from greatest to least. |
| | |
| Order the numbers from least to greatest. | Order the numbers from greatest to least. |
| | |
| Order the numbers from least to greatest. | Order the numbers from greatest to least. |
| | |

31 85 98 111

95 73 115 98

3

Students will choose 4 number cards and put them order based on the directions from their recording sheet.

WINTERTIME ADDITION

Students will use a spinner to create an addition problem with 3 addends.

SLEDDING INTO SUBTRACTION

Students will sort subtraction facts based on if they are true or false.

ICY COIN COUNT

ICY COIN COUNTING
Directions: Count the coins on each card. Then write the value in the matching box.

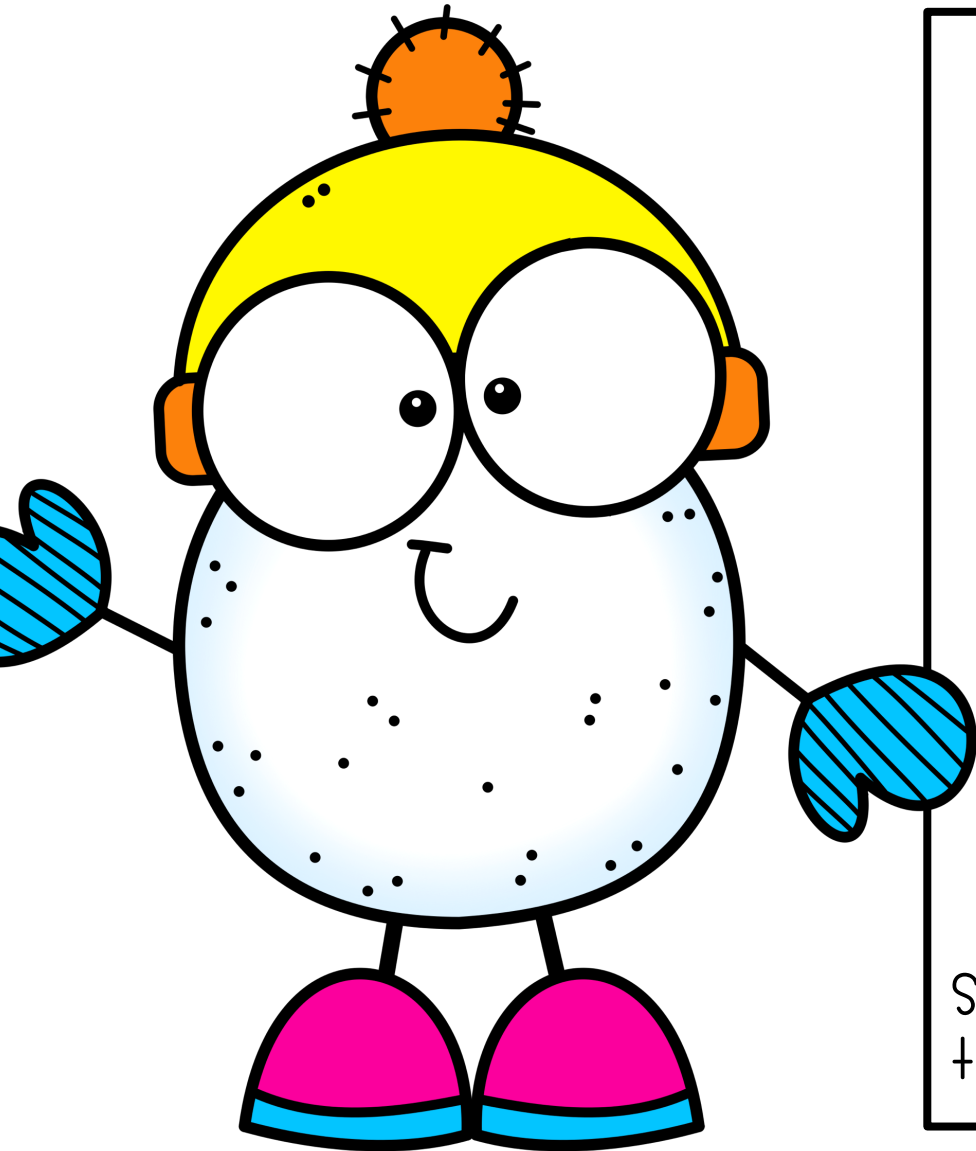

| | | | |
|------|--|-----|--|
| I. | | 10. | |
| II. | | 11. | |
| III. | | 12. | |
| IV. | | 13. | |
| V. | | 14. | |
| | | 15. | |

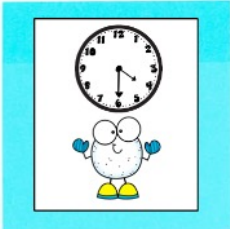

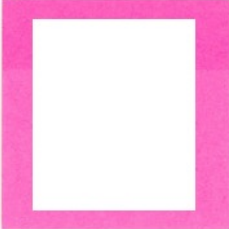

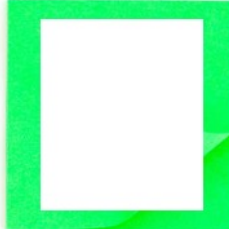

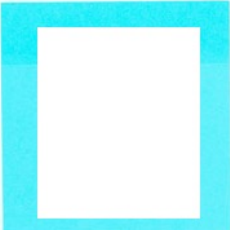

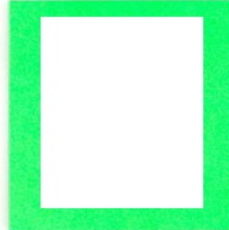

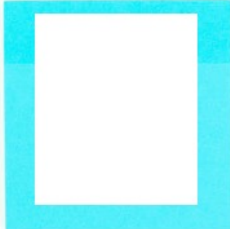

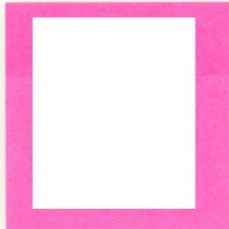

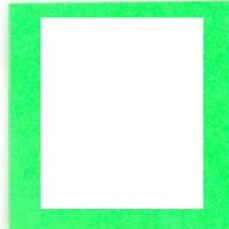

5. 6. 3.

Students will use task cards to find the value of mixed coins using dimes, nickels, and pennies.

IT'S SNOW TIME

Telling Time to the Hour and Half Hour

| | | |
|---|---|---|
|  |  |  |
|  |  |  |
|  |  |  |

Students will play memory match to practice telling time to the hour and half hour.
